Dear Dr. Garcia:

On behalf of Yale University, I want to thank you for having accepted to come to our campus as a guest speaker. It is a great expectation of mine to be able to meet you, in fact your visit will fit right in to my course.

I am currently teaching a class on the history of the education of minorities in the U. S., with an emphasis on the integration issue. And of course, we are covering your efforts towards desegregation in Texas. It will be a great honor for me personally to hear you speak and my students are also looking forward to your visit.

By now, you should have received your tickets from Salome' Gutierrez. If you have any other questions regarding your trip, please call him or myself at 203-436-1830.

Looking forward to seeing you next month.

Sincerely yours,

Martha Chavez
Assistant Dean
