Dear Dr. Garcia:

Thank you for agreeing to speak at the April 8th Leadership Corpus Christi program on "Current Issues". We will be meeting in the Crown Room North at the Sheraton Marina Inn.

As you can see from the enclosed agenda, we would like you to speak at 7:00 p.m. for 15 minutes about the role of the Corpus Christi Army Depot and Naval Air Station in Corpus Christi. A 10-minute question and answer session will follow your presentation.

We would like you to include the following information in your presentation if possible.

1. How would the closing of the Corpus Christi Army Depot and the Corpus Christi Naval Air Station affect the City of Corpus Christi?
2. What impact do the employees of NAS and CCAD have on our local economy?

You are invited to join us for all or any portion of the program, including dinner. Just return the enclosed card by Friday, April 4, so we will know your plans. Also enclosed is a brief biographical sketch we would like you to complete and return by April 4.

To preserve the educational format, Leadership Corpus Christi sessions are closed to the media and the public. Therefore, the only guests invited are speakers, advisory committee members and individuals who are directly involved with the LCC program.

We look forward to hearing your remarks on Tuesday, April 8. If you have any questions, please call Mary Frazier, the LCC Coordinator, at 882-6161.

Sincerely,

Heather Kendrick
Program Co-chairman
