

CHIEF OF NAVAL AIR TRAINING

30 March 1984

Dear Dr. and Mrs. Garcia,

We would consider it an honor for you to be our personal guest at this year's open house and air show to be held Saturday, April 14, 1984, at Naval Air Station, Corpus Christi, Texas.

The day will begin about 10:00 a.m. at the Officer's Club with a no-host brunch which will afford you an excellent opportunity to casually dine and chat with friends.

Following brunch, our VIP group will assemble and proceed by caravan with a police escort at 12:30, to the VIP parking lot located between hangars 56 and 57 (see enclosed map, which also serves as a VIP parking pass). From there it will be a short distance to the special seating reserved just for you. Simply present the enclosed CNATRA Public Affairs Pass to the gentleman at the seating area to obtain access to the reserved seating.

Then the real excitement will begin. The U.S. Army Parachute Team, the Confederate Air Force, world famous stunt pilots, and the Blue Angels will dazzle you with their precision aerial maneuvers. The show begins at 1:00 p.m.

The day promises to be an unforgettable experience. I know you won't want to miss it. Please R.S.V.P. by telephone to our Public Affairs Office at 939-3666 not later than April 10, 1984.

Sincerely,

P. B. BOOTH
Rear Admiral
U. S. Navy

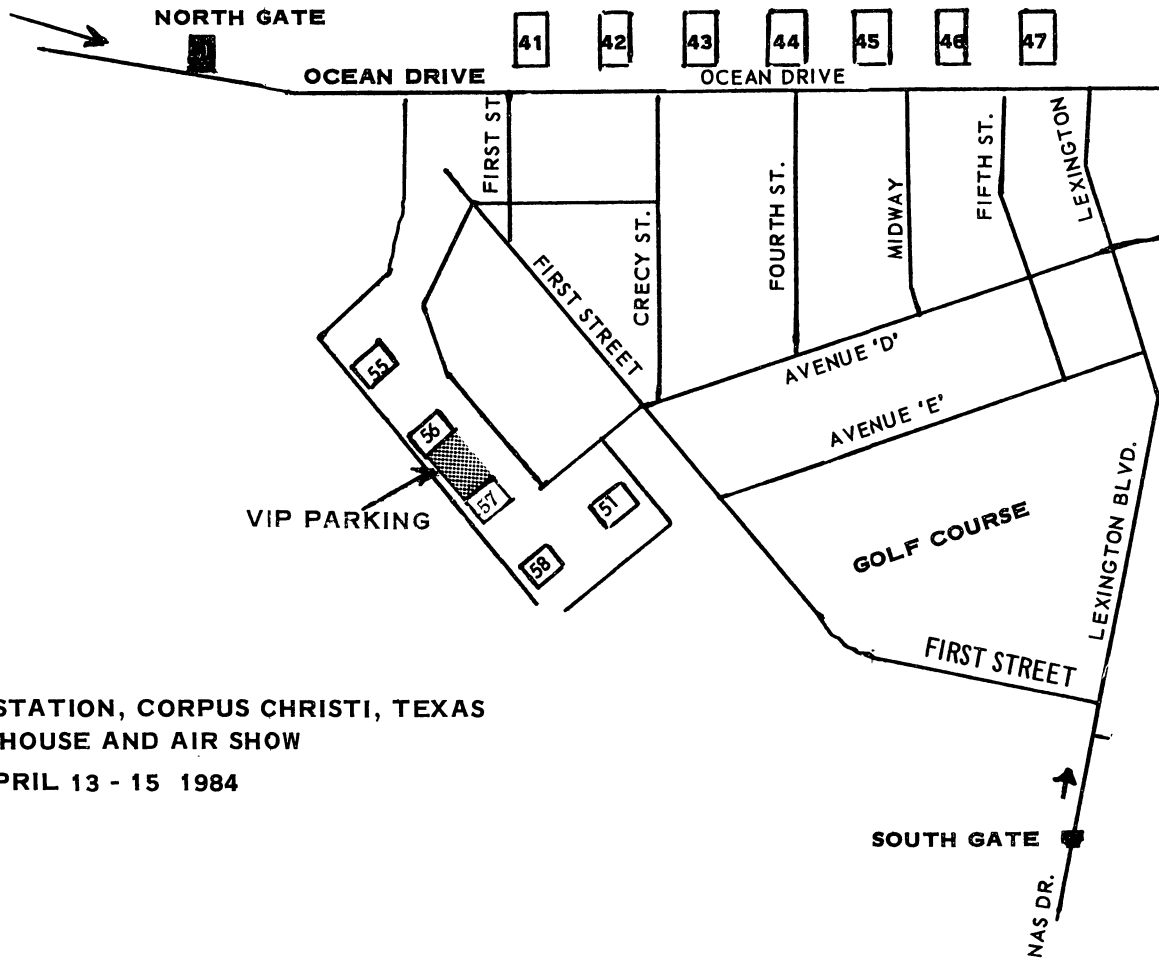

Dr. and Mrs. Hector P. Garcia
