The Sacred Heart
Apostolate of Prayer
For the Sick

Do. Dr. Hector Garcia

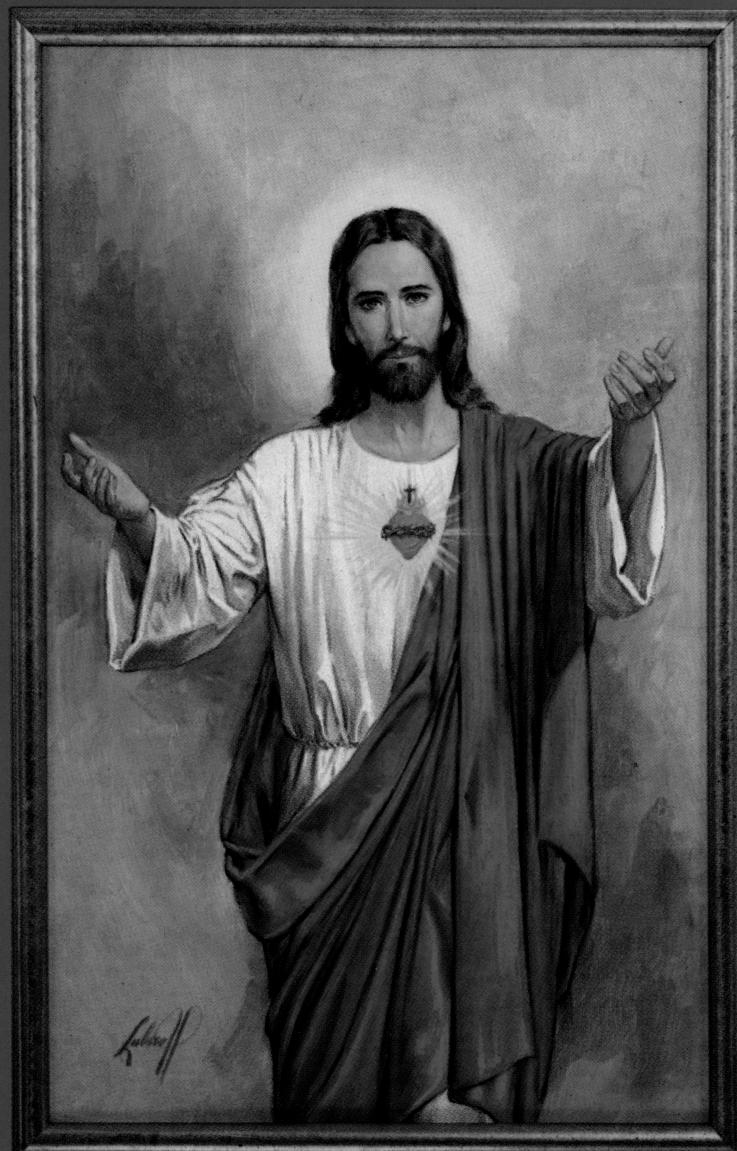

Prayer to the
Most Sacred Heart
of Jesus for His
Courage and Healing

Most Sacred Heart of
Jesus, I come to You in
my need. Keep me close
to You and accept the
pain and suffering I offer
You today. I unite it
with Your own offering
to the Father.

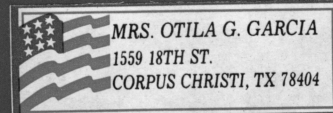

Heart of Jesus, watch
over my loved ones. Feed
Your poor and hungry
people.

Give me strength and
see me to good health if
it is Your Will. Above all
grant me always the
grace to trust in Your
promise of Love. Amen.

*God Bless You
We love you.
Get Well Soon!*

Come to Me all you
who are heavily burdened
and I will give you rest

You are being remembered
each day during your illness
at the Holy Sacrifice of the
Mass and in all the special
prayers and charitable
works of the many dedi-
cated men and women who
work to spread the Love of
the Sacred Heart of Jesus in
the Missions of Northern
Mississippi.

You are in our prayers,

Fr Bob Kess
