The Honorable J. Edward Day
Postmaster General
Post Office Department
Washington 25, D. C.

Dear Mr. Postmaster General:

It has been brought to my attention that Mr. Rudolph A. Mathews of Chicago, Illinois, is being considered for the position of Chief, Administrative Services, Chicago Post Office (level 14), which has been released by the Post Office Dept. since December 7, 1960.

I would like to recommend Mr. Mathews because he is a veteran and a very active member in the American GI Forum, our Veterans' Organization. He has also worked with the Postal Service for over twenty years, and I understand that he has a very nice record. His present grade, which he has held since 1955, is PFS-Level 11.

I am sure that in his position as Chief, Administrative Services, Chicago Post Office (Level 14), he will be a great help to you in your department.

I certainly want to take the opportunity at this time to thank you for all the many favors that your department has done for us. I want to thank you again for your considerations for Mr. Mathews.

Respectfully yours,

Hector P. Garcia, M. D.
Founder, American GI Forum
