Corpus Christi, Texas

Dear Hector:

I am grateful to you for all you did to make my visit to Corpus Christi on September 25, 1972, such a terrific experience.

I hope I'll have one more chance to come back to Texas during the campaign. Any ideas or suggestions as to where I should go and what I should do would be greatly appreciated.

Sincerely,

Sargent Shriver

P.S. Your enthusiasm is catching. I enjoyed the rally you arranged, & I think the local headquarters may be able to help with your registration efforts. RS
