Dear Doctor Garcia,

I am delighted that you have accepted my suggestion of renaming the local Main Post Office in your honor. Discussing this matter with you and Doctor Cleo has been a pleasant experience for me over the past few days.

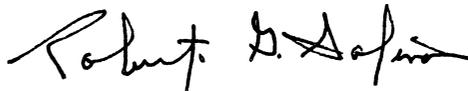

I am optimistic that the renaming of the Main Post Office will become a reality, thereby rewarding you with another place in history, and a shining cornerstone that will brighten the lives of many generations.

Mr. Frank Paniagua has given me a tremendous amount of encouragement and support. He is equally optimistic and pleased to be a part of this undertaking.

I am preparing a letter to Congressman Solomon Ortiz to enlist his support on this endeavor. I will keep you informed of any developments as they occur.

My wife and family join me in wishing you and your wife a speedy recovery. Again, thank you for allowing me to share my thoughts with you.

Sincerely,

ROBERTO G. SALINAS
