Dear Dr. Garcia:

On behalf of the City of Robstown, I want to thank you for your assistance and support of our monument dedication services December 31. The fact that you would do this at such a busy time of year and during such unseasonal weather is a tribute to your public interest.

The response was very favorable toward the Mass, the park program, and the reception. This was well covered by the media so that many in the Coastal Bend were aware of what we were doing. This was, indeed, a fitting conclusion to the Bicentennial emphasis in Nueces County.

We look forward to working with you in other civic activities.

Sincerely,

B. D. Berryman
Mayor
