Dr. Hector Garcia
Corpus Christi, Texas

Dear Dr. Garcia:

The Mexican-American Student Leadership Council is an organization which is dedicated to facilitating inter-organizational communication and cooperation among Mexican-American student leaders and providing a leadership base for the University of Texas Mexican-American student community. This spring the Council, with the support of the Campus Activities Office, will sponsor our second annual conference to celebrate and recognize unparalleled achievements, accomplishments and contributions of Mexican-Americans.

On behalf of the Council, I would like to extend a special invitation for you to serve as one of our distinguished guest speakers. The conference, entitled "Success '86: Profiles in Mexican-American Excellence," will be held Saturday, April 5, 1986, in the Texas Union on the University of Texas campus. This year's conference will begin at 1:00 p.m. and will include a series of presentations by renowned Mexican-American professionals from across the nation. The conference will also feature an alumni and parents day and an awards banquet for Mexican-American students. Held last spring, our inaugural conference attracted over 250 participants and won the praise of the University administration.

Mr. Garcia, you are definitely a source of pride and inspiration for all Hispanic Americans. It would be our honor to have you participate in our conference. So that we may finalize our conference arrangements, a council member will contact you in the next few weeks to obtain your response to our request.

If you have any questions, feel free to contact our advisor, Ms. Consuelo Trevino, at the Campus Activities Office.

Sincerely,

A handwritten signature in cursive script that reads "Troup Coronado".
