Dear Dr. Garcia:

Thank you for your time and consideration in writing a letter to the Mexican American community encouraging all citizens to participate in the Goals program. We delivered 13,000 of these letters last Friday, Because of you, more people will take part in setting priorities for Corpus Christi. As we proceed, I'm sure we will find still other ways to involve citizens. In part, people have to get used to the idea of being asked what they feel should be done, and feel that their opinions matter.

Thanks again!

Sincerely,

John A. Lewis
