Dear Doctor Garcia:

Just a few lines to tell you
I am still alive. And send you information
in separate page..

Dr. Don Yarbrough aproch me + wants
me to work for him in his campaign. What do you
Advise? I am deeply dissapointed on John
Program And now lately ~~Admire~~, coming out for
him. I haven't been ask or aproch by John
at all for Nothing.

It's been a hard year for me
I have been gradually getting out of red.
And I hope to do good this coming year.
As for Politics I don't know
what to do. especially for Don. That's why
I am writing this. Let me hear from you
How you stand, what can we do.

Saludos
Gilbert
