Mr. Raine G. Muguerza

Corpus Christi, Texas

Dear Mr. Muguerza:

In early November, Dr. Hector P. Garcia, transmitted to my office a federal employment application form 57 in your behalf including specific data relative to your educational background.

Enclosed you will find copies of a series of letters which I submitted, both to Dr. Garcia and Mr. Debs Hensley, Personnel Director of the Dallas Region.

A check with our Departmental Finance Section has shown that at present there are no vacancies.

I am sure that you are aware of the present status of hiring at both Regional and Departmental Headquarters. At present a freeze has been ordered on all positions, however, I appreciate your interest and shall maintain a file on your application and exert all possible efforts in your behalf.

With best regards,

Sincerely,

(Signed) Arnold R. Elias

Mr. Otis S. Bowers, Postmaster
U. S. Post Office
Corpus Christi, Texas 78403

Dear Mr. Bowers:

This is in reference to the position vacancy, FINANCE EXAMINER, held by Mr. Dewey Nix before his retirement this year.

I would like to be considered for the position, in as much as I am at present, Excess in the Accounting Section Compliment.

I believe I can do the work and qualified in experience in the duties of FINANCE EXAMINER, as the major part of my work at present entailed a lot of auditing of Stations Financial Report and compiling information for submission to our Regional Office in Dallas.

Your consideration and recommendation on the above position vacancy will be appreciated.

Sincerely yours

Raime G. Muguerza
