Dear Mr. Phillips:

It was a genuine pleasure to have had the opportunity of meeting you at the State Board of Directors' meeting in San Antonio.

Forwarded as requested are two pictures of myself. Of the two, neither is the best. However, seldom can looks be helped.

A trip report has been made to Mr. Kimenes, and if you would like a copy, you may obtain one from him.

With regard to the type of items for the women's section of the National Bulletin, do you have any specific ideas concerning the type of material required; or, do you just want news-worthy items?

May I hear from you soon.

Sincerely,

Molly C. Galvan
2d Nat'l Vice Chairman
