DATE 1-15-80 SUBJECT Maria Luisa Salazar

Please see if you can speed some help for Mrs. Salazar case because he has gotten very nervous and upset because her house has not been completed by the contractor.

Apprently this contractor took her money and has not finished the work. She states she has no service in her house because the contractor discontinued it and has not fixed it. She is getting very sick because of this problem.

Thank you for any help you might be able to give her.
