Dear Doctor Garcia,

Well be returning to Corpus tomorrow
thurs, Feb 23rd. Just wanted to
let you know you can count on
me to work 100% on all committee
to which I am assigned.

I've picked up a lot of clean
Mexican papers that are really
funny which I'll relay to you
and our Spanish buddies as
soon as I get back.

Remind Dennis "di no mui azul
no leta bien" maybe this time
he'll get it.

If you haven't selected an MC
for the Francisco Bagnuet,
I'd like to put in my bid
for it. I'll do you a
real good job.

My brother-in-law is very critical
just a matter of time.

Sincerely
Philbert
