Dear Dr. Garcia:

I would like to take this opportunity to express my deepest gratitude and most sincere thanks for all of your assistance and support in my behalf during the recent campaign in the SER Project.

I am very grateful for the manner in which you came to my aid and I would like to say that if I can be of any assistance to you in the future in any way whatsoever, please do not hesitate to call on me.

I also wish to apologize for the delay on my part in writing this letter to you, but I have been extremely wrapped up in my assignment here at Gary and time has just slipped by. Nevertheless, I knew that this letter had to be written in order for me to say to you personally, "Thank you, Hector".

Again, please remember that I am here at your service at any time, so do not hesitate to call me when I can be of service to you.

Sincerely,

Gilbert L. Herrera
