Dear Dr. Garcia,

Thank you for your thoughtfulness in sending me the copy of "Among the Valiant", a book I find most interesting.

As a history major in college and a history buff all my life, I am well aware of the significant contribution Americans of Mexican descent have made to the history of our great Nation, both as private citizens and as members of our armed forces.

I too, regret we were unable to meet in Corpus Christi last month. Meanwhile, sincere best wishes to you and your organization.

Sincerely,

JOHN R. GUTHRIE
