PERSONAL

Dear Hector =- 8/13/90

A letter from Pepper Jenkins reports that you delivered the graduation address for the medical students at the Univ. of TX. SW Medical School on June 2nd. I hope you advised them not to enter any field in the practice of medicine -- too late!

He also reported that Harold Griffin died, and also Paul Collins. 2 more from our class gone! I think the Lord is telling us something.

I have a recently matried grandniece, Mrs. Patrick Strain (known as Joy) working with parolees in the office of the District Attorney in Corpus Christie. I asked her if you were on her list, and she said, "No". I suggested she look you up and meet you. If I ever visit her in Corpus Christie, you'll be taking us out to dinner.
