TO WHOM IT MAY CONCERN:

This is to inform you that I have known Mr. Lucio as a friend for about twenty years. As a hard working self-employed carpenter contractor, he has contributed a lot of his time and money to help construct a little league and a pony league park in his neighborhood.

It is unfortunate of the crime, committed by said person, that eventually placed him behind bars. I believe he has paid for his mistake. I think that Mr. Lucio can be rehabilitated and can become a productive person as I have known him to be. I believe that with his talents, he should not have a problem in finding a job in the field of construction.

Any consideration given to Mr. Lucio will be appreciated by the undersigned. If more information is needed, please do not hesitate to call on me.

Sincerely,
