Dear Dr. Garcia:

This is in reply to your letter of 21 April 1977 regarding the possible employment of Mr. Arnoldo Chapa.

The employment opportunities at Corpus Christi Army Depot appear slim in the foreseeable future due to a recent reduction in our authorized employment limits. We are retaining Mr. Chapa's application, however, in the event employment possibilities become more favorable during the year.

Mr. Chapa will be notified that his application is on file in our Civilian Personnel Office and that he will be considered for employment as a transfer eligible whenever possible.

We are always gratified to know of individuals who are interested in employment at this Depot. If we can be of any further assistance, please feel free to contact us.

Sincerely yours,
