Dear Hector,

Many, many thanks for your courtesies during my stay in New York. Being in the UN with an ambassador is truly one of the most interesting experiences of my life, and I am most grateful to you for having made it possible. I hope you do not disapprove of my giving my press pass to my son.... they may take it away from him, but I thought it might facilitate his getting together with you, if you have time for him. I'll send you a clipping of the story I do on our time together, but meanwhile I want to thank you for everything.
