Mr. Glenn E. Garrett
Texas Good Neighbor Commission
Austin, Texas

Dear Mr. Garrett:

You have been so responsive on other matters similar to the one described in the enclosed letter from Mrs. Margarita G. Hinojosa that I am bringing her complaint to your attention.

It would be most helpful if I could later have some report of whatever corrective actions can be taken.

Your interest and efforts in these matters is greatly appreciated.

With every good wish, I remain

Sincerely yours,

Henry B. Gonzalez, M. C.
