Dear Dr. Garcia:

Please accept my personal thanks for your participation and contribution to the National Immigration Forum symposium in Corpus Christi in September. It was indeed an honor to meet you after my wife, Emilie Farenthold, has spoken so highly of her friendship with you for so many years.

Emilie and I both send you our congratulations on your recent and well-deserved recognition in having a park named in your honor in Corpus Christi. We hope to be able to travel from Houston to be at the dedication ceremonies next month.

Please accept my personal best wishes to you and to all of the fine people who work for the American G. I. Forum.

Sincerely,

Alan Stewart
