Dear Mr. Moreno:

Today I have sent you a Telegram in which I ask your Committee for \$225.00 or \$250.00 that the Attorneys have requested me to get from you.

You see, Mr. Carlos Cadena and Albert Pena from San Antonio are planning a trip to Mathis to visit the Schools and they need some money to make the trip. Please make the Check to Carlos Cadena and send it to me. The Attorneys are planning their trip for next Wednesday, Sept. 29th, 1954.

Thanking you beforehand for your cooperation in this matter, I remain

Very truly yours,

Hector P. Garcia, M.D. (S)

Dear Mr. Cadena:

I am sending you this check for \$250.00 from the Committee in Mathis. They are doing some fine work. Please be sure and write them a letter of thanks and also assure them that you will be there Wednesday, September 24, with Albert Pena and Richard Casillas.

Things are moving as good as can be expected. I will probably be in Mathis Wednesday.

As soon as you come into town and before you go to school, be sure and meet with some of the committee members who have some information to give you. Write me as soon as possible and give me all the details and information on your trip.

Homero Lopez sent the letter asking for the hearing in the Kingsville case. Gustavo acted as usual, I am sorry to say. Call me or write me as soon as possible after you get this letter so I can make plans and the people in Mathis can make plans.

They will give you after you meet with them and after your tour of the schools a private supper at somebody's home. And after the supper they will have an open meeting with our people in town. I believe in Ramirez Hall, so that you can give them a report. This meeting with our people is very important in order to naturalize any particular movements by the opposition.

Yours truly,

Hector P. Garcia, M. D.
