Dear Dr. Garcia:

As I indicated in my telegram yesterday Senator Johnson is now absent from the city, although he is expected to return shortly. The copy of your letter to Mr. Bass of Eagle Lake, Florida has arrived this morning together with a copy of the news story concerning David Castilleja and Felix Sanchez. As previously indicated I called this matter to the attention of the Federal Bureau of Investigation as you requested. I am now sending to the Director of the Bureau your present letter to Mr. Bass, giving further information on the case.

As soon as we have some report as to what may be done you will be notified.

Sincerely,

Arthur C. Perry
