Dear Dr. Garcia:

Based upon a referral you made to Congressman Steve Bryant, we were contacted earlier this week by Mr. Joe Lane with the St. Vincent De Paul Society regarding Mr. Xavier Mendez, Congressional Youth Scholar Awardee from Dallas, Texas. Mr. Mendez needed financial assistance to travel to Washington D.C. to attend the Congressional Youth Scholar Conference on the 21st of this month.

Working together with Mr. Joel Falcon, Regional Chairman, American G.I. Forum, Mr. Mendez received a free round trip ticket from American Airlines to attend this conference. It is rewarding to see such qualified and deserving Hispanic youths as Mr. Mendez recognized for their scholastic accomplishments. We are also honored that you made such a referral. We hope that you will call upon us in the future to assist you in other endeavors.

Thank you again for your confidence. We look forward to working with and seeing you soon!

Sincerely,

Frank & Laura Coy
