Just to say hello, wishing you and your family the most healthy, and happy new year, and of course, greeting for Christmas.

Doctor, I received the list of the Medal of Honor Recipients, the picture of the Presidential Medal of Freedom and a \$200.00 Dlls. Check. Thank you very much!

Doctor, can you please get me the complete list of the Recipients of the Medal of Honor, the one that you have sent me, contains 37, (if I include Master Sergeant Roy P. Benavidez), I have heard that there are two more names recently added to the list, since we are closing "con broche de oro" the painting for the year 1988, it will be nice to have those names. Please sent them to me. I have try to get them here, but noboday can help.

Also, doctor, let me know in a more concrete manner if the plan for me to be in the presentation is still in effect. I must make early arrangements.

Regarding the transportation of the painting, I did call most all the airlines that go to the area. They all say that they can not accomodate such a large package. There is one commercial airline (an air freight line) that can do it. Later around I send you the information.

The 3 things, that you asked me to send to you... A colored picture of the painting, a picture of myself and a biography will be on your way as soon as possible and as soon as I get those two names. Why do you not Phone me? It will be easy, I need the complete name and the era of his military service. Give me your opinion in the following matter, I will write the name, the era of the conflict. ExMple: Adams, Lucian World War 11. Do you think we should put more information, like a sepecial date... the date could be a Choice of Birth- death, the date of his heroic act, hopping is only one, or the date that He received the honorable citation, or just, like the exemple above, name and era of military duty, I think that I prefer the later.

Doctor, Thank you again for the money, I hope I can hear from you soon.
