Dr. Hector Garcia,

I was sorry not to have been able to talk with you when I was in Corpus Christi earlier this month. I hope the basket of fruit demonstrated to you my sincerest wishes for your speedy recovery from your health problems.

When you have recuperated and can spare some time in the future, I would greatly appreciate meeting with you at your convenience. As I mentioned in my note to you, I am interested in learning about your work and your library. Perhaps I can benefit from your collection and organizing examples.

In the meantime, good health to you once more. My prayers ask daily for your speedy recovery.

Sincerely,

Elvira Chavaria
