The Honorable Bob Bullock  
Comptroller of Public Accounts  
Lyndon B. Johnson State Office Building  
Austin, Texas 78774

Dear Bob:

I have enclosed the resume of Michael Anthony Campos, who is interested in securing state employment. Although I do not know Mr. Campos personally, he has been highly recommended to me. I thought a young man with Mr. Campos' education and experience in accounting might be of value to your office. Your consideration of Mr. Campos' resume is appreciated.

Sincerely,

A handwritten signature in cursive script that reads "Ronnie".
