Dear Dr. Garcia:

On behalf of my brother, Juan and myself, I would like to express our feeling of "orgullo" on finding out that you have been awarded the Presidential Medal of Freedom.

Your history of support for improving the education of Hispanics is to be commented on and is long overdue. I remember as a youngster in the early 1950s that my Grandmother, Dona Julia Trevino from Kingsville, used to take me to the G.I. Forum Meetings. The formal atmosphere at those meetings made me feel that something very important was taking place. Little did I know how important those meetings were and the positive impact they were going to have on making education more accessible to my generation. As you can see the results have been beneficial. Muchas Gracias!

Dr. Garcia, on behalf of CARA, Inc. our educational consulting firm, I would like to offer you and the G.I. Forum our services in any way we can. Please feel free to call on us if we can be of assistance. Again, our most heart-felt congratulations.

Sinceramente de Usted,

Candelario F. Huerta, Jr.
