Please join us in supporting Dr. Hector Perez Garcia's endorsement of the Democratic Party candidates on November 2, 1982.

The Republicans have arrested our 34 years of progress by providing us with the highest unemployment rate since the Great Depression of the 30's.

UNEMPLOYMENT means no earning power to provide for our basic needs which are disregarded by Reagan's supply side economics. It does not behoove our community to benefit from reduced inflation and interest rates when we do not have the jobs and earn an income to purchase the commodities for our basic needs.

UNEMPLOYMENT means less people pay into the Social Security System; as of this month, Social Security is broke jeopardizing our senior citizen's fixed income.

UNEMPLOYMENT places great demand on the Workman's Compensation budget, thus employers have to pay a higher tax on each employee.

UNEMPLOYMENT threatens our children's education. President Reagan has already cut back the Student Aid Program.

UNEMPLOYMENT means putting off buying our homes, automobiles, etc. Unemployment breeds unemployment, depression and low self esteem.

Bill Clements supports the Reagan administration and recently he stated that he is running for re-election to stop Democrats from carrying Texas in the 1984 Presidential Elections.

Clements and Reagan are for reduction and total elimination of the Democratic Party Programs and Goals that were set in motion by Presidents; John F. Kennedy and Lyndon Baines Johnson.

Bill Clements today, in his paid political campaign announcements has the audacity to align himself with Kennedy and Johnson's Democratic political and philosophical views.

The Republican administration; Clements and Reagan have:

- Reduced student financial aid
- Weakened all civil rights advancements in the name of a depressed economy
- Negated all affirmative action programs ie, Bilingual Education, Title 1, Title VII, in the name of cutting the federal deficit.

We , the undersigned, have fought for the above accomplishments and goals to reach equality in civil rights. Now they are threatened. We must fight back!!
