Dear Hector,

• ~

Thanks so much for bringing me the copy of "Texas: the State of Civil Rights".

I am really embarrassed at having forgotten all about that meeting. Our second grandchild was due two weeks ago, and I have planned to be out of town helping my daughter for most of this month and next. I wrote to Bishop Flores weeks ago explaining my inability to attend, and didn't even put the meeting on my calendar!

As you can guess, the baby has his own schedule, and is not yet among us, and I am sitting doing nothing waiting to be summoned. Icould easily have been in San Antonio on the 16th.

Thanks again for remembering me!

Very best wishes to you and Wanda,
