Dr. Hector P. Garcia MDPA  
1315 Bright  
Corpus Christi, Texas

Dear Dr. Garcia:

You have done a great many things, but in my opinion the second greatest thing you have done is bringing attention to the plight of Las Colonias along the border from Texas to California. I am sure many people will benefit from this endeavor that you have started. The special benefit will be for their health. May God Bless You.

Sincerely,

Jesus Z. Luis
