Ricardo Reyna, Assistant Manager
P.O. Box 89
Laredo, Texas

Dear Mr. Reyna:

I am writing to you to request some information in regard to the Chandalier I bought in Mexico City. This Chandalier had already been shipped out before I left Mexico City. I am very worried because I have not received it and I have not received any word about it.

Will you please check into this matter and let me hear from you as soon as possible. Thank you.

Sincerely,

Hector P. Garcia, M.D.
