Mr. Jose Mario Flores
Secretary, Hobbs GI Forum
AF 18-429-047
Air Base City
Hobbs, New Mexico

Dear Jose:

Thank you very much for your invitation to attend your Bar-B-Q and welcome in Hobbs, New Mexico. I have tried to make plans to meet with the Hobbs GI Forum, but it seems that something always comes up. I had thought I could make it last week, but as you may have been told by Mr. Jasso, I was in Tucson, Arizona, for one whole week on University business.

I talked to Mr. Jasso and he tells me that you and the GI Forum have been waiting for a date in which I will go to Hobbs. Please bear with me for a few more weeks and you can be sure that I will be in Hobbs to fulfill my invitation.

Enclosed are materials you may use in GI Forum organization.

Sincerely yours,

Vicente Ximenes
National Chairman
