Dear Dr. Garcia:

Again, I would like to express my appreciation for the contribution which you made to the hearings on the Bilingual Education Bill, S. 428. The bill has now been unanimously reported favorably from the Subcommittee on Bilingual Education and is pending before the full Committee on Labor and Public Welfare.

The hearings to which you contributed so substantially have now been printed and I have taken the opportunity to forward a set to you under separate cover. This was the first bill ever introduced on bilingual education in the history of the United States and the volumes which you will receive will be the first hearings ever printed for dissemination and distribution over the country.

With appreciation for your invaluable assistance to this landmark piece of legislation, I am

Sincerely,

Ralph W. Yarborough
