Dear Hector:

As you know, the Texas Legislative Council and two committees appointed by Lieutenant Governor Bill Hobby will be undertaking completion of a project begun several years ago, a major revision and recodification of the Election Code. This project is part of a continuing statutory revision program created by the legislature to revise and update Texas law. The council staff is currently updating and revising S.B. 610 as introduced in the 67th Legislature in 1981. The finished product will be the starting point for deliberations by the committees. The staff is also preparing a comprehensive summary of the differences between the proposed code draft and current law.

Mr. Ray Hutchison, chairman of the advisory committee, and I would like to have an organizational meeting for both the study committee and the advisory committee at 10 a.m. on Friday, January 27, 1984, in the House Appropriations Committee Room, Room 309, State Capitol Building. At this meeting we will discuss the history of the Election Code revision project, the roles of the two committees, and a tentative work schedule. The first draft of the proposed code will be ready for distribution in early March.

I have included a mailing list for the study committee and the advisory committee. If you are aware of any groups or persons who should be included on the advisory committee or if you have any questions about the project, please contact Glen Shuffler in the Texas Legislative Council.

If I may be of any further assistance, please let me know.

Sincerely,

Chet Edwards
State Senator
