Dear Mr. Barker:

This letter refers to yours of May 3 advising that the Civil Service Commission has directed the Post Office Department to make a selection for the appointment of a permanent postmaster at Woodsboro, Texas, by May 20, 1967.

Please accept this letter as my recommendation that Mr. William H. Kennedy, a five-point veteran whose name appears on the certificate of eligibles, be given the permanent appointment.

Your kindness in keeping me advised of the status of this matter and of action taken will be appreciated.

Sincerely yours,
