

THE CHIEF OF PROTOCOL

17 January 1968

Dear Dr. Garcia,

It was very kind of you to send me a clipping from the Corpus Christi Caller of 28 December 1967, containing a brief article done by Mr. Tom Hoge on some of the aspects of the activities of the Chief of Protocol of the United Nations.

I very much appreciate your thoughtfulness and beg to remain,

Sincerely yours,

A handwritten signature in cursive script, which appears to read "Pierre de Meulemeester".
