Dear Dr. Garcia:

Congratulations!

It was a joyous occasion for me and the Hispanic Community to learn that you are being awarded the Medal of Freedom on March 26, 1984 by President Reagan. It is a well deserved honor. Your many sacrifices, unselfish dedication, perseverance, and efforts on behalf of the poor and needy can never be repaid.

We, the Hispanic Community, are especially indebted to you for opening the doors to our future.

May God bless you and recompense you for being a good steward of His resources during your journey through this life.

Sincerely,

Richard Martinez Borchard
County Commissioner, Pct.#3
