Dear Dr. Garcia:

This is in reference to your correspondence of December 5, 1973.

On behalf of Coastal Bend Migrant Council, Inc. I would like to express our deepest appreciation for your good intentions and actions towards the establishing of a Migrant Health Clinic for the community of Corpus.

It is through the efforts of people like you, that programs like ours get to be a success.

Mr. Silva and I are putting a package together, and in the future we hope to meet with you more often and combine our efforts in helping the Migrant and Seasonal Farmworkers.

Thank you very much for your support and cooperation to this very worthy matter.
