Dear Dr. Garcia:

Because of your role as a community leader, we are inviting your participation in a Steering Committee that will subsequently host an unprecedented conference on the "Future of South Texas."

All of us have a common stake in this future, from El Paso to San Antonio, to Victoria and Corpus Christi.

At noon on Friday, February 14th, we will be gathering at the Colonel's Room in the Plaza Club--on the 21st floor of the Frost Bank Tower at 100 W. Houston--for a catered luncheon overlooking downtown San Antonio.

Staff assistants will preview the impending conference, focusing on the major issue sessions in education, transportation, water, agriculture, and economic development. The event also features elected officials, business executives, community groups, educators, and state and local administrators.

We will call each invited Steering Committee member within the next three weeks to answer any questions on a personal basis. (Please feel free to send a representative, if you have a scheduling conflict on this date.) Would you please RSVP on the Feb. 14th luncheon by calling Barbie Hernandez, appointments secretary, at 512-299-7069, or 512-299-7060, at your earliest convenience?

Sincerely,

Henry G. Cisneros
