Mr. Ramiro Cavazos
County Commissioner-Elect
215 E. Pike
Weslaco, Texas 78596

Dear Ramiro:

You have no idea how elated I am that you won your campaign for County Commissioner from your Precinct. I am certainly happy that I was a small part of your campaign and that I did everything within my power from this end of things to help you. Your election should be a source of pride to you, your family and friends and I believe that it behooves all of us to build political fences around so as to keep you there, although you know that your tenure in such office depends largely on your own conduct.

Please work hard and keep your contacts with the people. Personally, I will continue to do whatever is possible to help you be a good County Commissioner. Congratulations again and please receive my best personal regards.

Sincerely,

Bob
