Dear Amador:

We very much appreciate the opportunity to have met with Dr. Hector Garcia, Dr. Clotilde Garcia, Guadalupe Rangel and you regarding the placement of the Garcia Papers. As you could observe, we are excited about the possibility of housing the Garcia Papers in the special collections area of our library.

We are also fully cognizant of the great responsibility of having the papers in our library. We are fully committed to assure that they would be carefully organized and protected in order that their use could be maximized.

In order to carry out this responsibility we would commit the University to the following:

2. To provide a University Academic Appointment to Dr. Garcia;
3. To provide an appropriate salary for Dr. Garcia for the time spent in organizing these papers;
4. To provide a Research Assistant as selected by Dr. Garcia to assist him in organizing this collection;
5. To continue the oral history project with Dr. Garcia and Dr. Frantz;
