Dear Dr. Garcia:

I am so pleased you have agreed to serve on the Honor America's Commitment Committee that Wilbur Cohen and Bert Kruger Smith have formed to support and advise me. The issues the committee will address are vitally important to all of us. Your additional support now can be invaluable, and I deeply appreciate your concern and involvement.

Mary Paul Smith Jespersen will be coordinating staff support for the committee. Her telephone number is (512) 477-7080. Please do not hesitate to call upon her.

Libby and I look forward to seeing you during the campaign and thanking you personally.

Sincerely,

Lloyd Doggett
