

URGENT MEMORANDUM

TO: Members of 4UCC Board of Directors
FROM: Fred Heldenfels, IV
RE: Upcoming Berney Seal Roast
DATE: March 5, 1990

Attached is a list of prospective contributors to this year's Annual Roast benefiting the CCSU Freshmen Endowed Scholarship Fund. The list contains the names of those who purchased tables last year or who were suggested as potential contributors for this year. The list is by no means exhaustive or exclusive.

Please be responsible for obtaining at least one (1) table contribution prior to March 14th. It is important that you as a member of 4UCC's Board of Directors be the one to contact your friends and acquaintances in the Corpus Christi business community asking them to support CCSU's scholarship funding. That is why I'm asking each of you to obtain at least one table for the March 16th Berney Seal Roast.

Should you have any questions concerning the Roast, please do not hesitate to contact me or Linda Hanson at CCSU, 994-2420. Thank you in advance for your assistance in completing this urgent task.
