Dear Dr. Garcia:

The 1990 Caller-Times U.S. Open Sailboard Regatta was a huge success. One of the reasons is because of the tremendous support we get from people in Corpus Christi.

Your contribution to the Memorial Day Ceremony was greatly appreciated by all of us who heard your words. It's important to take time out and express our gratitude for those who have given so much to make this the great country it is.

In the best of all possible worlds, we couldn't have asked for any more or better support from anyone. Hearing your words is inspirational to both athletes and those of us who just watch.

Thanks again for everything.

Sincerely,

Beverly Barnum
Marketing Director
