Dear Hector:

I am writing to you, as always, to ask for your assistance, in form of a letter or telegram of recommendation on my behalf to Governor John Connally.

As you know, I have been interested in being a member of the State Board of Morticians, of which two vacancies will be available in May 1963.

May I ask of you at this time to write or telegraph the Governor, recommending my name to be considered to fill one of these vacancies?

I meet all the statutory requirements for this position.

For some information that you may not know about me, the following may assist you:

I have been a licensed Funeral Director & Embalmer
for the past 12 years
Have been in the funeral profession all of my working life
I presently own and operate the Mission Funeral Home,
in Austin, Texas.

attached is also a list of the different organizations of which I am presently associated with.

Hector, I would appreciate it very much if this letter is received in Governor Connally's office by Monday morning, April 1st.

Thanking you in advance for any support or recommendation that you may favorably give to this request.

With warmest and personal regards, I remain,

Respectfully,

Charles L. Villaseñor
