

**JOSEFINA TORRES, M.D.
CANDIDATE FOR SCHOOL BOARD
DISTRICT 1**

February 23, 1984

Dear Dr. Hector P. Garcia :

I am currently seeking election to the Corpus Christi Independent School District Board of Trustees, District 1. I am very concerned about the quality of education in our community and would like to be a part of the decision process which will influence the future of our children.

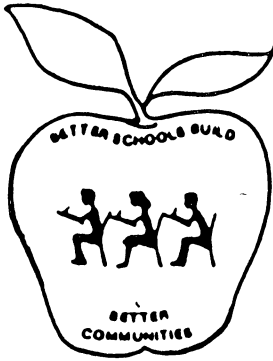

C.C.I.S.D., if it is to maintain its academic ranking and produce graduates that are a valued resource, must plan for the future. As the cost of education rises and teacher's salaries do not keep pace with inflation, C.C.I.S.D. will not be immune from suffering the consequences. C.C.I.S.D. must maintain a sound financial base to insure that well credentialed teachers are recruited and that students from all socio-economic levels benefit from an adequate education.

I am committed to quality education for all children and feel my experience and background will enable me to be a responsible voice on our Board of Trustees. As such, your support is needed. Your financial contribution to my campaign and your vote on April 7, 1984, will allow your participation in a better future for education in Corpus Christi.

Thank you,

Josefina Torres, M.D.
