Dear Dr. Garcia

We are in the process of preparing a Grant Presentation package for the CCSU Hispanic Immigration Project. In that respect, we will need titles and designations for the members of the Advisory Committee.

We will be submitting the Grant requests to major foundations and, therefore, would like to show the broad community support for this project. We need only one or two lines showing your professional designation, business title and civic involvement.

I will be giving you a call on Monday for these titles so the above mentioned package may be prepared next week.

Thank you for your assistance in this matter.

Cordially,

A handwritten signature in cursive script that reads "Jimmy McGill".
